COMEDY STUDIO

WELCOME

Amsterdam Comedy Studio is a brand-new comedy clubhouse in the heart of Amsterdam, built for people who love comedy, creativity, and finding their people. It was founded by **Stacey Smith** after nearly 20 years of working professionally in comedy and realizing one big thing: the best comedy scenes grow when they feel welcoming, collaborative, and a little bit like home. Especially if you're new in town.

Amsterdam is full of expats, creatives, and curious humans looking for connection. This project exists for them. For performers just starting out, seasoned comics sharpening their voice, and audience members who want more than just a night out. This is a place to belong.

We offer comedy classes for all levels and host monthly shows that play with different formats, styles, and ideas. You can step on stage, try something new, learn the craft, or just grab a seat and enjoy great live comedy. However you show up, you're part of it. The vibe is simple: supportive, fun, and community-first. Just a shared love of laughter and creativity. Think of it as a clubhouse where everyone's a member and everyone helps shape what the space becomes.

Whether you're brand new to comedy, new to Amsterdam, or just looking for something special to be part of, Amsterdam Comedy Studio is your spot.

She is also the creator of *Stacejam*, an improvised solo musical extravaganza that has earned critical acclaim.

Stacey has performed and taught across Europe and North America, appearing 84 times at 31 international improv festivals, many as a headliner. An accomplished educator and program builder, Stacey has designed training programs for multiple schools and created specialized workshops, including S.H.E.
